

Vehicle Bus Information

Using the vehicle bus adapter (UART adapter)

By connecting the optional Vehicle Bus adapter, you can display the operation status such as gauges, vehicle information, climate control and parking assist.

Limitation

The data is transmitted to this product from your vehicle system via the Connected Vehicle Bus adapter. Therefore, the actual data contents displayed on your product may differ from the contents on the screen described in this compatibility sheet.

Pioneer cannot be held responsible for any damages or malfunctions that may occur in the vehicle during, or after the installation of our products.

If you are unclear about certain options available please check the compatibility list. Keep in mind that this list will be frequently updated when there will be new features added to the interface.

Supported Features with CD-SVW-UAR.006AE

- **Steering Wheel Controls**
 - Previous Music
 - Next Music
 - Volume control
 - Voice Command
 - Assist system button
 - Phone button
 - Back button
 - Scroll switch
- **SOS Function** (Separate dedicated interface with reference – CD-SVW-SOS.001)
- **HVAC Settings**

***The HVAC settings are shown and also controllable via the Head unit.**

 - Front windshield heating
 - Climate controls (Temperature/ Fan speed/ Airco/ Seat heating/ Auto/ Sync/ Air recirc./ Windscreen defroster/ Steering wheel heating/ Off)
 - Profile
 - Air care climatron
 - Automatic air recirculation
 - Automatic auxiliary heater
 - Automatic windscreen heating
 - Automatic supplementary heater
- **Doors Status (Open/Close)**

***The status of the doors are visually shown on the Head unit**

 - Front left & right
 - Rear left & right
- **Auxiliary Heater**
 - Heating/ventilation
 - Set/adjust
 - Settings
 - Departure
- **ESC**
 - Activated/ ESC off/ ESC sport
- **Tyres**
 - TPMS reset
 - Speed warning
 - Winter tyres mode
 - Warning at
- **Driver Assistance Settings**
 - Lane assist (adaptive lane guidance/ steering wheel vibration)
 - Front assist (advance warning/ display distance warning)
 - ACC (Adaptive cruise control)
 - ACC distance selected
 - Driver alert system
 - Proactive occupant protection (Active protection)
 - Manoeuvre braking
 - Side assist
 - Side assist brightness
- **Parking**
 - Activate automatically (Auto activate)
 - Front/ Rear Volume
 - Front/ Rear tone setting
 - Entertainment fading
 - Front/ Rear/ Left/ Right sensors
- **Light Settings**
 - Activation
 - Headlight range
 - Dynamic light assistance
 - Switch on time
 - Auto headlights
 - Automatic headlight control in rain
